TABLE MODEL 950 / BENCH MODEL 850

TABLE MODEL 910 / BENCH MODEL 810

A round table and three matching curved benches for seating of up to nine people. Exposed concrete aggregate sides and smooth finish top. Monolithic concrete construction, steel reinforced. No bolt-on parts. Available in a wide selection of pigment colors and aggregates. Available with opening for umbrella stand.

- Esthetic, functional design complements the natural environment of outdoor restaurants, parks, school

eating areas or other exterior settings.

- Clean-up is easy. Simply wash down with a hose.
- Size, weight, and rugged construction discourage vandalism.

Ordering:

Please specify table and bench set, **Model 950**. Specify pigment color, rock aggregate type, and whether you wish a center opening for umbrella.
