

QUIKRETE Repair

CONCRETE PRODUCTS

QUIKRETE - The Industry Leader in Packaged Concrete and Related Products. The one true national brand in the market, QUIKRETE, is the only supplier serving all 50 states plus Puerto Rico, Canada, and parts of South America. With 60 years in the concrete manufacturing business, QUIKRETE, is also one of the most experienced, with a wide range of concrete, mortar, concrete repair and other related products.

Questions? Call 1-800-282-5828 for the QUIKRETE Consumer Help Line. The QUIKRETE Company is the only national concrete manufacturer to offer this service. Consumers can ask for advice on do-it-yourself concrete projects, inquire about specific QUIKRETE products, order product literature, or find out where the nearest QUIKRETE dealer is located.

Check Out the QUIKRETE Web site at www.quikrete.com New do-it-yourself projects are featured each month, and there's even an on-line calculator to figure out how much material is needed for specific projects. Other features include: tips on working with concrete, and an e-mail address for specific questions.
