

Sand and Gravel

Westside Concrete Materials delivers high quality aggregates throughout Sacramento and the Bay Area. We are equipped to handle the raw material needs of avery size project, incorporating a fleet of 10 wheel dump trucks to 25 ton capacity transfer trucks. Exceeding construction site demand for aggregate base, fill, and more, we maintain inventory on a variety of aggregate products including:

- **Dry Concrete Mix**
- **Base Rock**
- **Fill Sand**
- **Drain Rock**
- **Crushed Rock**
- **Concrete Sand**
- **Pea Gravel**
