Powerlock II

Power Return Rule With Life Guard Yellow 1" Wide Blade

Powerlock Rule goes way out with 25-foot long blade—provides longer, faster measurements. Remains rigid up to seven feet for hard to reach measurements. Life Guard yellow blade has large, easy-to-read numerals and stud markings every 16 inches. Blade is protected with clear tough film of DuPont Mylar to reduce friction and provide longer blade life. Lightweight, comfortable case is made of durable Cycolac with easy to operate thumb-lock that holds blade firmly in place.

TOOLS & EQUIPMENT

Geared E-Z Fast-Line Reel

The only geared chalk line reel on the market. Pressing the knob end of the handle allows the line to free wheel out, releasing the pressure locks the line. The rewind is two and a half times as fast as other reels, a real time saver. The case is heavy die-cast aluminum and the gears are a tough self-lubricating plastic. Guaranteed trouble free.
