- Wrap-around side handle – For easy handling
- Service-Minder brushes – Stops tool when preventive maintenance is required
- On/off switch with lock-on – Comfort during the more demanding applications
- Includes: 5" Diamond Cup Wheel and Carrying Case

### 1773AK 5" Concrete Surfacing Grinder

## Exclusive Dust Protection System

This new concrete grinder comes equipped with the Bosch exclusive dust-proof system for a longer operational life than ever before. Epoxy coated field windings ensure motor endurance. Perfectly suited to the building trades, especially for refurbishing and de-burring exposed concrete. The concrete surfacing grinder is also ideal for removing irregularities, formwork seams, and protrusions. When smoothing floor pavement, removing graffiti and weather worn paint, and cleaning concrete surfaces before protective paint finishes are applied, this grinder will get the job done right.
