

MARSHALLTOWN Finishing tools

XTralite Midget Trowels

- High Carbon steel blade secured to aluminum alloy mounting with hardened steel rivet
- Curved handle securely attached
- For finishing concrete in small areas
- Made in the U.S.A

Marshalltown# **Size**
13105 8" x 3"

Magnesium Floats, Beveled Ends

- Extruded from very hard, durable, lightweight magnesium
- Our most popular float design
- Comfortable handle is positioned to give the tool perfect balance
- Handles are secured with torque pad screws that will not back out
- Assist the user in preparing the surface for troweling
- If a float (rough) finished is desired, floating is the final operation
- Recommended for use with air entrained concrete
- Magnesium floats produce a smoother finish than wood
- 'D' indicates DuraSoft handle, provides a soft Feel, reduces fatigue and offers excellent durability
- U.S. Patent No. 5,781,956 for DuraSoft Handle
- Made in the U.S.A

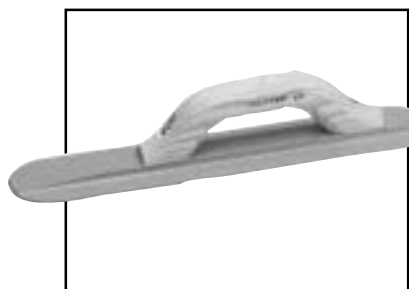

Marshalltown# **Size**
142 12" x 3-1/8"
145 16" x 3-1/8"

Magnesium Floats, Beveled Ends

- Extruded from very hard, durable, lightweight magnesium
- Comfortable handle is positioned to give the tool perfect balance
- Handles are secured with torque pad screws that will not back out
- Assist the user in preparing the surface for troweling
- If a float (rough) finish is desired, floating is the final operation
- Magnesium floats produce a smoother finish than wood
- Fully rounded ends help prevent float marks

Marshalltown# **Size**
