

**Estwing Hammers**

Since 1923, the Estwing family and its employees have taken pride in designing and manufacturing the world's most durable, comfortable and attractive striking and struck tools. All claw hammers, axes, specialty tools and pry bars are manufactured to the highest possible standards and offer a true value to both tradesmen and craftsmen alike. Estwing has grown from a very small manufacturer to one of the world's largest manufacturers of premium striking tools. This growth and our continued success is based on the Estwing family pride and insistence upon manufacturing the world's finest striking and struck tools.
