

NewLook International, Inc.
Gription™

Safety Data Sheet

Issue Date 22-May-15

Revised 22-May-15

Section 1

Product and Company Identification:

Product Name:

Gription™

Product Use:

Slip-resistant additive

Manufacturer's Name:

NewLook International, Inc.

Manufacturer's Address:

1525 South Gladiola Street Suite 8 Salt Lake City, UT 84104

Information Phone:

NewLook International, Inc. 801.886.9495 or 877.763.9566

Emergency Contact:

CHEMTEL 1.800.255.3924, Outside the USA +1.813.248.0585

Section 2

Hazards Identification:

OSHA/HCS Status: This material is considered hazardous by the OSHA Hazard Communication Standard (29 CFR 1910.1200)

Product Hazard Category:

Acute Toxicity – Category 1 (Inhalation)

Label Content: Pictogram

Signal Word: DANGER

Hazard Statement:

May be fatal if swallowed and enters airways

Precautionary Statement: Prevention

Wear Safety goggles to protect eyes.

Wear chemically resistant gloves and aprons to minimize contact with the skin.

When respiratory protection is required, use only NIOSH/MSHA approved respirators in accordance with OSHA Standard 29 CFR1910.134.

Use only with adequate ventilation.

Do not take internally. Immediately call Poison Control or a physician. DO NOT induce vomiting.

Keep out of the reach of children.

Keep container tightly closed and upright when not in use.

Wash hands thoroughly after handling, especially before eating or smoking.

Other Hazards: Not Known

Section 3**Composition/ Information on Ingredients:**

Chemical Name	CAS Number	Weight
Polypropylene	9003-07-0	100%

Section 4**First Aid Measures:****Precautionary Statements:** Response

Inhalation: Move to fresh air. Give artificial respiration, if not breathing. It may be dangerous for those providing aid to give mouth to mouth resuscitation. If breathing is difficult or if adverse health effects persist or are severe, seek medical attention. If unconscious, get medical attention immediately. Maintain an open airway. Loosen tight clothing, such as collar, belt or waistband.

Ingestion: Seek medical attention and call poison control immediately. Wash out mouth with water and continue to drink small quantities of water. Stop drinking if vomiting, it may be dangerous. Aspiration danger, if swallowed. Can enter lungs and cause damage. Do not induce vomiting. If vomiting occurs, head should be kept low, so that vomit does not enter the lungs. If unconscious, get medical attention immediately. Maintain an open airway. Loosen tight clothing, such as collar, belt or waistband.

Eye Exposure: Immediately flush eyes with large amount of water for at least 15 minutes, occasionally lifting upper and lower eyelids.

Skin Contact: Wash exposed area with water, then soap and water. Remove and clean contaminated clothing. If irritation persists, seek medical attention.

Section 5**Firefighting Measures:**

Suitable Extinguishing Media: Use water fog, dry chemical, or CO²

Unsuitable Extinguishing Media: Not Known

Specific Hazards in Case of a Fire: No specific fire or explosion hazard

Special Protective Equipment and Procedures for Firefighters: Wear self-contained breathing apparatus with a full-face piece operated in positive pressure mode and full protective clothing.

Section 6**Accidental Release Measure:**

Personal Precautions: Wear personal protective equipment.

Environmental Precautions: Sweep and place material in waste receptacle. Dispose of waste in accordance with applicable local, county, state and federal regulations. Avoid discharge into natural waters.

Section 7**Handling and Storage:**

Precautions for Safe Handling: Avoid extreme temperatures and direct sunlight. Store in a cool, dry place with adequate ventilation. Storing temperature 40 -100°F (4 -37°C). Keep containers closed when not in use. Keep out of the reach of children.

Section 8

Exposure Control/ Personal Protection:

Exposure Limits:

Chemical Name	ACGIH TLV	OSHA PEL
Polypropylene	N/A	N/A

Information on System Design: Provide diluted ventilation or local exhaust to prevent build-up of vapors. Keep out of the reach of children. Keep containers closed and upright when not in use.

Appropriate Engineering Controls:

Engineering Controls:

Eyewash Stations
Showers

Eye Protection: Wear safety goggles.

Skin Protection: Wear chemically resistant gloves and aprons to minimize contact with the skin.

Respiratory Protection: Use only with adequate ventilation. If such conditions cannot be avoided, use respiratory protection only use NIOSH/MSHA approved respirators in accordance with OSHA standard 29 CFR1910.134.

General Hygiene Considerations: Wash hands thoroughly after handling, especially before eating or smoking.

Section 9

Physical & Chemical Properties:

Physical State: Solid

Color: Off White

Odor: Not Available

Odor Threshold: Not Available

pH Value: Not Available

Melting Point: Not Available

Freezing Point: Not Available

Initial Boiling Point: Not Available

Flash Point: >199.9°F (>93.3°C) Pensky-Martens Closed Cup

Evaporation Rate: Not Available

Flammability (solid, gas): Not Available

Explosion Limits: Lower Limits: Not Available Upper Limits: Not Available

Vapor Pressure: Not Available

Vapor Density: Not Available

Relative Density: 0.9

Solubility: Not Available

Auto Ignition Temperature: Not Available

VOC: Not Available

Viscosity: Kinematic (Room Temp.) > 0.07 cm²/s (>7cSt)
Kinematic (104°F (40°C)): 0.07 cm²/s (>7cSt)

Section 10

Stability & Reactivity:

Stability: Stable

Hazardous Polymerization: Under normal storage conditions and use, it will not occur.

Conditions to Avoid: Not Known

Materials to Avoid: Not Known

Hazardous Decomposition Products: Under normal storage conditions and use, it will not occur.

Section 11

Toxicological Information:

IARC: 3 (Polypropylene)

Routes of Entry: Inhalation (Category 1) and Ingestion

Toxicity to Animals: LD50 (Rat) > 8 g/kg

Chronic Effects on Humans: Not Established

Special Remarks on Toxicity: Unlikely to cause harmful effects under recommended conditions of handling and use.

Section 12

Ecological Information:

Eco-toxicity: Not Available

BODS and COD: Not Available

Products and Biodegradation: Not Available

Special Remarks on the Product of Biodegradation: Not Available

Section 13

Disposal Considerations:

Waste Disposal Method: Disposal should be in accordance with local, state and national legislation. Incineration or landfills should only be considered when recycling is not feasible. Avoid product seeping into soil and natural waterways, such as sewers and drains.

Section 14

Transport Information:

DOT Proper Shipping Name: Slip-resistant additive

DOT Hazard Class ID Number: Not required, Class 55

Section 15

Regulatory Information:

SARA (Title III) Section 313: Not subject to Reporting Requirements

TSCA (5/1997): All components are on the TSCA inventory list.

Federal Hazardous Substance Act: Product is a hazardous substance subject to statutes promulgated under the Subject Act.

Canadian Environmental Protection Act: Not Listed

Canadian WHMIS: Considered to be a hazardous material under the Hazardous Products Act as defined by the Controlled Products Regulations and subject to the requirements of Health Canada's WHMIS. This product has been classified according to the hazard criteria of the Controlled Products Regulation (CPR). This document complies with the WHMIS requirements of the Hazardous Products Act (HPA) and the CPR.

Section 16

Other Information:

The SDS should be read before product disposal. Pass SDS information to all persons who could be exposed to the product. The SDS has been prepared according to OSHA hazard Communication Standard (29 CFR 1901.1200). To the best of our knowledge, the information contained herein is accurate and based on sources believed to be reliable. However, since data, safety standards and government regulations are subject to change, NewLook International, Inc. makes no warranty, either expressed or implied, with respect to the completeness or continuing accuracy of the information contained herein and disclaims all liability for reliance thereon. The data on this sheet is related only to this specific material. It may not be valid for this material, if used in combination with other materials. It is the end users responsibility

to determine suitability and completeness of this information with regards to a particular use. Additional information may be necessary or helpful for specific conditions and circumstances of use. Unknown hazards may exist and this material should be used with caution. NewLook International, Inc. assumes no legal responsibility for use or reliance upon this data.

HMIS: H=1, F=0, R=0, P=0 (0 = Minimal, 1=Slight, 2=Moderate, 3=Serious, 4=Severe)
